### **JUNE 2023**

#### **ATTACKS ON HUMAN RIGHTS**

Today, we are experiencing unprecedented attacks on our community with over 450 pieces of anti-LGBT legislation across the country. The Clubs will continue the fight for gay rights that we began more than 58 years ago. As we enter into Pride month, the significance of our history has never been more important, along with the need to continue to support the many fights yet to come to ensure our civil rights.

#### **BE PROUD**

Everyone experiences Pride a little bit differently--and The Club wouldn't want it any other way. So let's get started by letting our hair down among friends, family, and other like-minded souls and embrace the joy that comes with celebrating the unmatched diversity of our community. After celebrating at Goodale Park on the 16th or 17th, or after the parade on High Street, July 17th, there's no better place to shed your clothes and relax by a pool than at nearby Club Columbus.
