

CLUB COLUMBUS NEWSLETTER

DECEMBER 2022

OUR PRIORITY

As we move into the winter season, The Club continues to be cautiously optimistic with the world attempts to move through the new normal of what pandemic recovery looks like. Public health experts are continuing to caution that this year's flu may be especially virulent, as well as the new variants of covid-19 that continue to be detected. The Club is encouraging everyone to get a flu shot and the new bivalent covid-19 booster if you have not done so. In addition, The Club highly recommends that those who can potentially be exposed to the monkey pox to seek vaccination. The safety and well-being of our guest and staff remains Club Columbus' top priority.

WORLD AIDS DAY

The final push party, collecting donations for our Annual World Aids Day Fundraiser, was held this past Saturday night on November 26, 2022. We're hoping everyone had a gay ol' time, and The Club want to give a big THANK YOU for your ongoing donations each year. Your gift, along with The Club's matching gift, totaling \$5,000.00, will be presented to Equitas Health Columbus on December 1, 2022, World Aids Day.

ONE FINAL HURRAH

The Club invites you to put on your party hat and join us on December 31st to bring in the New Year. We will be serving up food, fun, and a special toast at midnight to usher in 2023.
