## **NOVEMBER 2022**

### **BEING THANKFUL**

Sometimes we forget to be thankful for those who came before us and lived their lives with courage and dignity so that we can live our true, authentic lives. All of us can become pioneers for future generations by voting in the upcoming election on November 8th. Show your I VOTED STICKER on election day at the front desk, and receive \$3.00 off on your locker rental until 9pm. Vote, because your rights depend on it.
